Zip-Clip Stainless

Product information

Gives the ability to produce your own made to measure wire suspension. Use a zip-clip to attach the wire to your chosen anchor point. The range consists of wire reels and separate locking devices with a choice of Safe Working Loads.

The applications

- Wrapping around existing steelwork, I-beams or purlins
- Suitable for use with a wide range of fixings including eye bolt adapters, concrete fixings, deck wedges, purlin clips
- Ideal for long and varied suspension lengths
- Ideal for secondary light supports
- Marine grade stainless steel wire available for specialist applications

... *Read more*

Material: AISI 316
Note: Approved for static suspension, but not dynamic
