

STA-Z 2-Hole Anchor

Product information

The 2-hole transport anchor STA-Z is suitable for loads from 0.7 up to 22.0 t. The STA-Z 2-hole anchor is almost similar to the transport anchor STA-S. The STA-Z 2-hole anchor, however, uses more reinforcement which is mounted through the lower hole. The head of the anchor has a hole in which the locking bolt of the ring clutch is mounted. Other holes in the anchor are meant for further reinforcement.

Material: Steel S355.

Marking: According to standard, CE-marked, Load group + Starcon, batch code.

Temperature range: 200°C.

Finish: Black or hot dip galvanized.

Standard: CEN/TR 15728 - VDI/BV-BS 6205
