

Long part to lashing system 5T STANDARD 50mm STF 350 daN

Product information

Long part with double hook. Fits to STANDARD 5T lashings and is being used for load securing by the most carriers. Components are manufactured of the best quality to ensure durability and safety. The webbing is made of highstrength polyester with a dense woven structure, which makes the lashing very flexible and durable.

Material: Polyester & Steel

Marking: according to standard EN 12195-2

Note: Standard length of short part is 0,5m.

Warning: Not for lifting.
