

Training certificate n°202407161734

Certifies that M Janusz BANAS, from certex,
updated skills for the referenced training TR00 00300R,
and met the objectives and dealt with the equipment listed there after.

Objectives : Assurer un service après-vente, appliquer les procédures adaptées à la traçabilité des produits, vérifier les équipements et décider de leur sécurité ou de leur dangerosité.

Equipment :

- Connectors (EN362:2004)
- Anchorages (EN795:1996 - EN795:2012) Devices which are permanently installed are excluded
- Fall Arresters (EN360:2002)
- Rope Grab (EN353-2:2002 - EN353-1:2014)
- Harnesses & Belts (EN361:2002 - EN358:1999 - EN813:2008)
- Lanyards and Work Positioning Lanyards (EN354:2010 - EN358:2000)
- Energy Absorbers (EN355:2002)
- Ropes (EN1891)
- Rescue lifting devices (EN1496)

The certificate validate a level of competence to date. It is up to each certified person to maintain and develop these skills through regular and interactive practice, otherwise they will lose their skills. Certificates with a validity date confirm the maintenance of skills for a 3-year period.

Remote training

Date : 2024-07-16
